# DAY 1 SEPTEMBER 19, 2023

# WELCOME, INTRODUCTION, AND ADOPTION OF THE AGENDA

1. The Global Agriculture and Food Security Program's (GAFSP) Steering Committee (SC) convened a hybrid meeting on September 19-20, 2023. The objectives of the meeting were to (i) reach Steering Committee decisions on key governance and operational questions affecting the GAFSP, including the launch of the Business Investment Financing Track (BIFT), the adoption of a financing

### BUSINESS INVESTMENT FINANCING TRACK & PILOT

- 8. Presentations were made by: the Council on Smallholder Agricultural Finance; the GAFSP CU, and IFAD
- 9. Key observations made by Steering Committee members in regards the new intervention model proposed for the BIFT include:
  - (i) An endorsement of the BIFT's platform-based approach and focus on IDA-only countries, food and nutrition security, and local and regional value chains.
  - (ii) A request to expand the role of the SC beyond providing No Objections, in particular

- moving forward? Decision 2: Does the SC agree to set aside a budget to support existing CSO members to undertake a sub-set of priority activities in support of GAFSP during the FY24 transition period?
- 19. The SC agreed in principle to adopt Decisions 1 and 2. However, Decision 1 was adopted with the following caveats: (i) the CU should explore with the World Bank's Corporate Procurement Department the possibilities of covering labor costs incurred by CSO members during the FY24 transition period and beyond; (ii) Option D should be considered an interim solution while the CU explores options to partner with CSOs.
- 20. The SC agreed to adopt the overall **Col** portion, and illuminately paragraph 6.6 and requesting additional language
